Correction Required

For Your Information

Building Mechanical Electrical Plumbing Clearing & Grading

Date: 1-29-18 Permit # (ex: 02-1005-BS): 16135370

Inspection Type: Complaint Address: 9847 NE 1st St.

During my inspection today I found the following conditions:

- ① Ensure all construction materials are secured so they cannot be blown into neighboring yards or homes.
- ② Any further problems will be cause for a STOP WORK order to be posted.

Complete all corrections noted above. When corrections have been made, schedule the inspection by calling the Inspection Request Line at 425-452-6875.

Inspector: G. McHargue
